Anniversary Jubilee a Success.

The jubilee given by the German Lutheran congregation of Nasewaupee in Keller's grove in the town of Gardner last Sunday to commemorate the thirtieth anniversary of the founding of the church was carried out in full as announced in last week's Democrat. The day was an ideal one for outdoor meetings and about 600 attended, including representatives from the German Lutheran congregations at Sawyer, Sevastopol, Forestville and Kolberg.

Rev. Bergholz, of Kewaunee, delivered the sermon in the forenoon and Rev. Minenthal, of Kolberg, gave the sermon in the afternoon. Rev. Schumann, pastor of the church, read the history of the Nasewaupee church and the Sawyer choir rendered some excellent selections.

The ladies served dinner in the large barn of John Keller and all were delighted with the bountiful repast.

The collections taken were very liberal and Rev. Schuman and his congregation wish to express their sincere thanks to all who aided in making the jubilee a success.

Become June Brides.

Miss Sophia Branning, of Nasewaupee, and Jules Rubin, of Brussels, were united in marriage at the German Lutheran church at 2 o'clock Tuesday afternoon.

On Wednesday afternoon at 4 o'clock Miss Rose Birmingham, of Sevastopol, and Lawrence Wickman, of Forestville, were married at the German Lutheran church.

Rev. Schumann performed both marriage ceremonies.

Mrs. Frank Rayman died at Green Bay on Wednesday after a lingering sickness due to tuberculosis. She leaves three children to mourn her death.

Miss Christene Jochum, a sister to Rev. J. L. Jochum, arrived here last Friday to spend a month. Miss Jochum is a Deaconess in the German M. E. churches in Chicago.

The work of filling in the roadway to connect the new bridge with Union street has been completed and the public have been using the new bridge since last Saturday.

Frank Huber has completed a large refrigerator for the Idlewild Inn summer hotel. Frank is an expert at this work, he having built several large coolers for local parties.

Nelson & Hawkey's merry-go-round was moved from Sawyer to Forestville the fore part of this week and the outfit will not be brought back to this city until next fall.

Remember the food sale at Woerfel's drug store tomorrow afternoon from 2 to 6, under the auspices of the Woman's Club. The proceeds will be used for a playground and park for Sawyer.

John Johanek and family left for Los Angeles, Cal., on Wednesday morning after spending several days visiting among friends in Sawyer. They have the best wishes of a large circle of friends in Sawyer and vicinity.

Fred Bushman and his assistants completed the moving of Chas. Heald's fish house on Wednesday. They found it a hard task as the bottom is quite soft on the old sawmill dock. However, when it is filled in it will make a fine location for the fishermen.

Jos. Alberts has made application for a saloon license for the Rayman Hotel property and will open the place on July 1st. John Laviolette has applied for a license for the hotel now run by Mr. Alberts. This will give one more saloon for Sawyer as all the other licenses will be renewed.

The Democrat is in receipt of a post card from J. J. Neuville stating that he and his family had arrived at Blackstone, Virginia, after a very pleasant journey of two days and two nights. That part of the trip which took them thru the mountains of West Virginia was very picturesque and thoroly enjoyed.

The clerks at Washburn's store gave Miss Anna Tesar a surprise spread one evening last week, it being in the nature of a farewell as Miss Tesar left Wednesday for an extended visit in Los Angeles, Cal., in company with John Johanek and family. After the bountiful supper the young folks enjoyed a launch ride with Frank Jacobs.

H. R. Isherwood has received numerous inquiries from outside cities both in this state and elsewhere asking for information about the plan adopted by the Sawyer Community Development Club in advertising the town and getting people interested in it. The plan is being introduced in many cities thruout the country and has been the means of promoting a feeling of good-fellowship between the merchants and their customers in a marked degree.

Last Saturday evening the Sawyer Community Development Club sent up the prize blooms left over from the jubilee celebration a week previous and as the weather conditions were perfect the paper bags were carried a long distance. The wind was very light and from the south and all the balloons were carried across the bay into Sevastopol. These who captured the prizes were: John Henzartner and a neighboring friend, suit of Collegian clothes. The boys divided the prize and added enough money so that each got a new suit at P. J. Linden's store. David Ullsperger, $5 credit slip, given by the Sawyer Lumber Co. The washing machine given by C. Wulf & Co. went to a Mr. Jacobs.

The C. D. C. ball team defeated the Door Co. Land Co. team on the home grounds Sunday by a score of 13 to 9. The local boys had the visitors at their mercy for the first half of the game with the score standing 5 to 1, but the ball became lost in the grass when the visitors had the bases full which gave them four scores in a bunch. Their other four runs were scattered through the last half of the game. Langemak made a clean hit over the elevator and got a home run but it only counted one as there was no one on the bases at the time. The boys will have the grass cut before another game so that the out-field will be in better condition. The C. D. C.'s will play Rosenberg's Stars at the east side ball park on Sunday.
